Medium Bulbs are ¾ to 1½ inches.

Small Bulbs are ¼ to ¾ inches.

Twenty-five at the 100 rate.

MARY ELIZABETH—

This variety of my introduction is making good every day as a variety for both exhibition and as a cut flower commercially.

An all round good glad. The prices holds up near that of last season because I have not been able to supply the demand.

It is tall, of heavy texture, white with yellow throat and slightly ruffled. The most popular cut flower we have ever grown with local Florists.

SNOWBOUND—

A newly registered Seedling by Mr. Ashborn. It is a giant white with small maroon blotch.

MONTEREY—

Also by Mr. Ashborn, is a new pure pink, first class for exhibition. Award of Merit at Boston 1934. Scored 90 points average by seven Judges.

A limited number of these two new varieties are offered at \$5.00 per bulb.

BULBS IN MIXTURES—

For those who do not care to have varieties separately named we can make up mixtures of Named Varieties, using the colors you want to predominate at \$2.00 and \$4.00 per 100.
